Our Spaces

Knox Street Bar is made up of three distinct areas, each with its own character, atmosphere and possibilities.

The Main Bar

Originally a garage, the Main Bar has taken on a life of its own - think Star Wars Cantina with booths, a long counter, freestanding tables and an eclectic soundtrack. It's a space that attracts all kinds of people and never feels the same twice.

The Drum Room

Located on the ground floor of a Victorian terrace, connected to the Main Bar, the Drum Room is our event space. Designed for music, burlesque, screenings, spoken word and private parties, its acoustic treatment and salon-like layout blur the line between performer and audience.

The Dungeon Room

Connected to the Main Bar, the Dungeon Room is a sunken, cave-like space perfect for small private gatherings of 6-12 guests. It can be booked for exclusive use.
